## A-Frame Sign Regulations

### City of Apopka, Florida

---

*Pedestrian-oriented signs.* Pedestrian-oriented signs, such as A-Frame or pedestal type signs, shall be allowed for businesses to attract pedestrian traffic. A pedestrian-oriented sign may be used to advertise changing specials such as food items, menus or other promotions; and shall only be used to advertise products or services available or for sale at the site where the sign is located. The allowable sign area for pedestrian-oriented signs shall not be counted against the total allowable sign area for a development or business.

1. Pedestrian-oriented signs are only allowed for businesses and establishments located in the Central Business District or those with frontage to the West Orange\_Trail. A parcel must directly abutt the West Orange Trail or internally contains a portion of this trail within an easement to qualify as having frontage to the trail.
2. One A-Frame type sign is allowed per primary entrance to a commercial structure or to a tenant space. A sandwich board sign must provide an unobstructed pedestrian clearance of at least four feet in width.
3. Pedestrian-oriented signs are only allowed to be displayed during the hours a business is open. Outside of these hours the sign shall be removed and stored inside a building.
4. The maximum height for a pedestrian-oriented sign is four feet. The maximum width is 2.5 feet. The maximum copy area is 6 square feet per side. Pedestrian-oriented signs shall be constructed of wood or metal materials. Plastic signs are not allowed.
5. The base of the sign shall contain sufficient weight to prevent displacement from wind.
6. Location of the sign shall allow a four-foot clearance for pedestrians and shall be located no further than 15 feet from the primary building or tenant entrance. Such signs shall be placed in a well-lit area.
7. Pedestrian-oriented signs shall not be placed within a public sidewalk or right-of-way unless authorized through a sign permit and submittal of insurance which covers the City from liability. The amount of the insurance coverage shall be determined by the City.
8. A sign permit and fee is required for a pedestrian-oriented sign.
